Dear Parents/Guardians,

We are all aware that Dengue has now become a nationwide concern for all citizens. BIT is also taking stringent measures to cope with this situation. The school premises are being sprayed every alternate day. All campuses are taking government prescribed methods as a precaution.

Please note that these rules are for the protection of your child. Therefore, your absolute cooperation is essential.

The following rules are to be followed strictly by parents and students:

1. Students must wear long sleeve shirts (any colour) underneath their uniform and knee socks until they go for the Eid-ul-Adha break and one week after the school reopens. During this time parents will make long sleeved uniforms.
2. The school insists that parents send mosquito repellent, e. g. Odomos, OFF, stickers, etc with their child to school; the teachers will make sure they put it on their neck, face and arms properly. **Students must bring the repellent to school.**
3. If the student does not bring any repellent, in a week's time the school will send him/her home for the day.

N.B. Please help us help your child to be safe and healthy.

Thanking you,

MS. LUBNA CHOUDHURY
FOUNDER PRINCIPAL & CHAIRPERSON
