March 16th 2020

Dear Parents and Guardians,

The Government of Bangladesh has issued an order on 16.03.2020, that all educational institutions across the country should be closed from 17.03.2020 to 31.03.2020. This unprecedented decision was made by the Ministry of Education to help reduce the spread of Covid-19 in the country.

BIT's top priority is the health and safety of its students and staff, and this responsibility is taken seriously. Hence, the school has laid out this plan to facilitate the studies of all students:

- Lessons, Homework and Worksheets will be emailed and posted on the website for students to access.
- Students/Parents must submit their completed work to their respective campuses every Thursday and the corrections will be returned on Monday.
- Please do not worry unduly about the Final Examinations – the school feels it is more important to finish the syllabus than it is to sit for an exam. If the syllabus cannot be completed, then exams will obviously not take place. The school will consider the situation, and in consultation with parents/guardians, a mutual decision will take place.

In addition to the cancellation of all classes, the school has postponed the following, until further notice:

- Extra Curricular Activities
- After-School programmes
- Field Trips
- Parent-Teacher Meetings
- Events/Functions

Please check your email and BIT's website regularly for updates and notices. If you have any specific questions or concerns, please contact the school.

We look forward to your continued support and cooperation, as the school is doing its utmost to accommodate and facilitate students during this unusual time.

Thank you and take care,

Ms. Lubna Choudhury
Founder Principal & Chairperson
