WORKSHEET-6**

Read the passage carefully and answer the following questions :

The moon has a face like a clock in the hall;  
She shines on thieves on the garden wall,  
On streets and fields and harbour quays,  
And birdies asleep in the forks of the trees,

The squalling cat and the squeaking mouse,  
The howling dogs by the door of the house,  
    The bat that lies in the bed at noon,  
All love to be out by the light of the moon.

But all of the things that belong to the day

    Cuddle to sleep to be out of the way;  
And flowers and children close their eyes  
Till up in the morning the Sun shall rise
