April 11, 2020

Dear Parents/Guardians & all Awardees,

The school hopes you are staying home and are maintaining all procedures to prevent the coronavirus (covid-19) from spreading.

The entire world is going through an unprecedented course of events - we are grateful to the almighty for providing us with enough food and safety for our homes during this self - quarantine and country wide lock down.

However, there are lots of people who can not avail enough food to store nor can they afford to buy daily food for their families as they are unable to work. It is becoming increasingly apparent that food shortages will be a major cause of suffering for daily wage earners, such as day labourers, rickshaw pullers, etc. This is high time to take up social responsibility towards the needy and help them accordingly.

In this regard all DEA participants (Bronze, Silver and Gold) are requested to prepare at least 5 packages of food and other essentials to distribute among those in dire need of them.

**Each package may include the following items:**

1. Rice (5 kg)
2. Lentils (1 kg)
3. Potato (2 kg)
4. Soybean oil (1 litre)
5. Sugar (1 kg)
6. Soap/ hand wash (1)

Once prepared, the packages can be given to the people in need in your own area or nearest to your home. If possible, please send the photograph and the name of the people whom you helped. Please strictly follow the rules to protect yourself and then help others. Safety first.

**Packages can also be sent to their respective school campuses. The school will then organise its distribution. One can also donate packages through Jaago using the Foodpanda app. The screenshot of the receipt from Foodpanda can be sent to the DEA coordinator.**

This contribution will be considered as a social service for your award criteria. **Awardees can do it individually or in groups.**

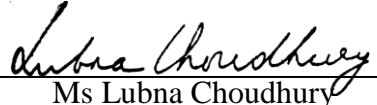

Awardees are also encouraged to use social media to discuss and come up with ideas that would best solve this problem. They can think of other creative activities to help, keeping in mind the current situation.

In light of this difficult time, the DEA awardees are expected to show their dedication, commitment and leadership skills thus becoming role models for others in the community.

Thank you for your continued support and cooperation.
