Dear Parents/Guardians

Welcome to the new academic session of 2021-2022!

We have endeavoured to follow the government rules in reopening the school and providing in person classes for the students. Classes have been designed and scheduled with a limited number of students as suggested by the Ministry of Education to maintain health and safety for all.

We are pleased that as suggested by the government, most students have met with school administrators and completed the necessary steps to attend in person classes and continue all the prescribed safety measures.

The students who have not registered for in person classes are advised to register at their respective campuses before the next class.

The school will not be responsible for students who are unregistered for the August 2021 – July 2022 Session. All students must be registered and get an ID card before they join the class.

N.B. Please disregard this, if the child is already registered.

Thank you for your cooperation.
