## **In Celebration of its 40<sup>th</sup> Year as a Leading School BIT offers 50% discount in Admission Fees**

Bangladesh International Tutorial (BIT) is proudly launching its 40<sup>th</sup> year this August, as one of the premier leading English Medium Schools in Bangladesh.

The school has much to celebrate with successful graduates who have attended leading universities all over the world, armed with our O' and A' level training. BIT has a rich tradition and looking towards the next decade ahead, we pledge to continue our modern, forward-thinking approach to schooling that embraces innovation and new opportunities to provide an outstanding and well-rounded education. BIT was the first in many categories, offering Mandarin Chinese, French etc as part of the curriculum, before anyone else.

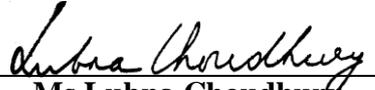

BIT believes in the potential of every student. No matter the child's needs, our caring teachers and high-quality syllabi can put them on the learning path that works for them today while leading them toward a bright tomorrow. The school's academic excellence is evident in the students who have become great leaders, scholars, and artists, but our goal is to develop world-class individuals who can recognize and celebrate the talents and uniqueness in each other.

We offer an impressive selection of choices, not only in the academic curriculum, but also in athletics, arts, student activities, and community service. This provides a unique opportunity to find a child's perfect balance. In Uttara, we have purpose-built campuses with well-equipped laboratories, fully shelf-stocked libraries and athletic facilities.

Admissions are open for the upcoming session 2022-2023, with **classes starting from 28.08.2022**. On occasion of our celebratory kick-off starting this Fall and in recognition of the financial hard times brought in by Covid, **BIT would like to share the plan to reduce the Admission Fees by 50% for the first 100 applicants, starting from 01.08.2022.**

Join a school with a 40-year-old heritage and become part of an alumni community who continues to stand out not only for their academic achievements, but also for building confidence in young learners while fostering good manners.

You are welcome to contact the school for further information.
